

### Kansas Live Plant Dealer License Application

#### Who must have a Kansas live plant dealer license?

Any entity or person that grows live plants for sale or distribution, buys or obtain live plants for selling or distribution, establishes or moves live plants within Kansas to establish such live plants for others for compensation (such as landscapers), or who gives live plants as a premium or for advertising purposes. See K.S.A. 2-2113 and K.S.A. 2-2120 for actual statutory language.

*All live plant dealers requesting issuance of a license must complete Sections I - IV.  
All live plant dealers requesting a certificate of inspection must complete Section V.*

A Kansas live plant dealer must obtain a Kansas live plant dealer license prior to selling, offering for sale, delivering, or planting any live plants in Kansas. Live plants include any living plant, cultivated or wild, or any part thereof, that can be propagated, except for the following:

- 1) Field and forage crops;
- 2) seeds of any kind;
- 3) cut flowers and cut greenery not used for propagation; and
- 4) fruits and vegetables used for food or feed.

#### Exemptions from the live plant dealer license:

**If a live plant dealer does not import into or export from Kansas live plants, and collects less than \$10,000 annually in gross receipts, such live plant dealer may be exempt from the licensing requirements.**

*Each live plant dealer seeking to claim the license exemption shall complete Sections I - IV and check the box in Section III.*
